Subject: Informal visits will stop.

Dale –

During the last several months, your informal visits with [REDACTED], at her work station and in the Annex hallway, have been reported to me as “harassing,” “weird,” and “uncomfortable.” This has only intensified of late and your comments to her have included the following:

- Slandering her supervisor (i.e., calling me a liar).
- Asking her for legal opinions, advice and analysis about the Recall Petition.
- Expounded your religious beliefs and applying them to her.
- Repeatedly refusing to make an appointment with me to address your concerns and questions.
- Counseling her to look for work elsewhere.

In sum, your “chats” with my employees – whether they are on break or at their work stations - are not welcome. They are harassing and unprofessional.

As a result, all informal visits to my office by either you or Alberto Ugas will cease immediately. You will not enter the Auditor’s Office or the Elections Center without a bona fide business purpose. And, like all other members of the general public you will follow the procedures outlined below to receive services from this office.

Procedures to receive public services from the Auditor’s Office are as follows:

- If you have a question regarding elections, please contact me or the Elections Manager, Mike Rooney. Otherwise, consult your attorney.
- If you have a business, pet or vehicle licensing issue, please take a number and have a seat.
- For Recording or Excise, approach the applicable window and present your business to one of the Recording / Licensing Technicians.
- If you have an animal control complaint, please call 253-798-PETS.

Thank you in advance for your courtesy and cooperation.
